

53B.06 PERMISSIBLE INVESTMENTS AND STATUTORY TRUST.

(a) Each licensee under this chapter must at all times possess permissible investments having an aggregate market value, calculated in accordance with generally accepted accounting principles, of not less than the aggregate face amount of all outstanding payment instruments sold by the licensee or reported as sold by an authorized delegate in the United States. This requirement may be waived by the commissioner if the dollar volume of a licensee's outstanding payment instruments does not exceed the bond or other security devices posted by the licensee under section 53B.08.

(b) Permissible investments, even if commingled with other assets of the licensee, are considered to be held in trust for the benefit of the purchasers and holders of the licensee's outstanding payment instruments in the event of the bankruptcy of the licensee.
